The summary consolidated financial statements of Raubex Group Limited, contained in the accompanying abridged report, which comprise the summary group statement of financial position as at 28 February 2021, the summary group income statement, the summary group statement of comprehensive income, the summary group statement of changes in equity and the summary group statement of cash flows for the year then ended, and related notes, are derived from the audited consolidated financial statements of Raubex Group Limited for the year ended 28 February 2021.

Summary Consolidated Financial Statements

The summary consolidated financial statements do not contain all the disclosures required by International Financial Reporting Standards and the requirements of the Companies Act of South Africa as applicable to annual financial statements. Reading the summary consolidated financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited consolidated financial statements and the auditor's report thereon.

The Audited Consolidated Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the audited consolidated financial statements in our report dated 7 May 2021. That report also includes communication of key audit matters. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period.
